Event attendance	32 kids + 19 Adults = 51 total	N/A	Not enough data
Number of events	8	N/A	Not enough data
Books read for Summer Reading	36	N/A	N/A

- SWANK Movie Licensing/ Movie Nights
    - We have renewed our yearlong indoor movie licensing from SWANK. This $340 license is good until 6/30/27 and can only be used for indoor movie events.

    - The library has also purchased a one-time license for our upcoming movie night featuring the Game Plan (PG) on September 4th. This license was $375.

    - Tammy Trusty
        - Local Author Tammy Trusty has volunteered her story time services for before the movie as we wait for it to get dark enough for the projection to be viewed. We need to confirm what time the story time will take place before the movie.
- IPLAR
    - I turned in our finalized IPLAR paperwork, and it is now approved as of July 31.
- Non-Resident Program Fee Update
    - Kate Kite has brought it to my attention that the fee for non-resident library cards needs to be re-calculated and re-voted on every year. Our non-resident library card fee (according to IHLS) was last calculated and voted on as $13.00 a card in 2024.
    - There are two main methods of calculating the fee:
        - Non-Resident Fee Formula (the most frequently used method)
            - A flat fee of $18.80 for every non-resident who qualifies for a library card at the Zeigler Public Library
        - Tax Bill Method (The less frequently used method)
            - Each qualifying potential non-resident who wishes to have a library card with us would need to bring in their most recent tax bill, and we would use those to recalculate on a case by case basis what each individual person should have to pay.
